## **Karen Eadie** **Workplace Rehabilitation Consultant (South)**

Based in Hobart, Karen is an experienced Rehabilitation Consultant and WorkCover accredited Injury Management Coordinator. Karen has worked as a Rehabilitation Consultant for over 20 years, assisting various clients including insurers, local government, local council, SME's and larger companies.

Karen has vast experience in dealing with a range of physical and psychological injuries as well as a sound understanding of Tasmanian workers' compensation legislation and workplace rehabilitation processes. Karen is committed to achieving rehabilitation goals through prompt and regular contact with relevant stakeholders and supporting the worker in achieving return to work goals in a time, safe and sustainable manner.

Karen's relevant training and qualifications include:

- Post Graduate Diploma, Rehabilitation Counselling – University of Sydney
- Bachelor of Education – University of Tasmania
- WorkCover accredited Injury Management Coordinator
- WorkCover accredited Return to Work Coordinator

Karen is a member of the Tasmanian Association of Vocational Rehabilitation Providers and Australian Society of Rehabilitation Counsellors.
